

STEP INTO THE WORLD OF DESIGN & QUALITY

المدينة للانترلوك
AL MADINA INTERLOCK

A COMPANY OF NATIONAL GROUP

تشكلت المجموعة الوطنية في اماره أم القيوين عام ١٩٨٠م مع وحدة إنتاج الطابوق المتوسطة ثم إنطلقت المجموعة منذ انشائها خلال مراحل النمو والتوسع. ثم تطورت المدينة للإنترلوك عام 2002م من الوحدات الأساسية لإنتاج الطابوق والإنترلوك والكربستون والموزايك واستقلت إلى أن تطورت لتصبح من اكبر الشركات المنتجة بالسوق المحلي والدولي.

يكن سر النجاح في الرؤية الواضحة و الإستراتيجية المستهدفة مع العملاء مصحوباً بجودة الخدمات والبحث المتواصل عن أفضل السبل لخدمة عملائنا.

واجهنا تحديات عديدة في رحلتنا إلا أننا أثبتنا بكفائتنا لاجتيازها. نحتفل بتوسعات جديدة في قطاع إنتاج بلاط الموزايك والعقارات هذا العام. كما نعتز بإلتزامنا تجاه الوطن وأن نكون جزء من تطوره.

تحت الإدارة الحكيمة

للسيد / عبدالرحمن عبدالرحيم الزرعوني

Sailing back to 1980's, the National group formed in UAQ with small Masonry Blocks manufacturing unit. The group has moved through monumental stages from its inception, growth and expansion. Al Madina Interlock took birth in 2002 from it's core units of blocks and Mosaic manufacturing units, stand independently and developed to one of the largest producer of Paving Blocks, kerb Stones and blocks.

Behind this success clear vision, Dynamism and customer driven strategy that is guided by Quality, Services and never ending search for better ways to serve our clients.

We have faced many challenges in our journey, been always competent enough to surpass them. We have celebrating, new expansions in Mosaic Tiles manufacturing and Real Estate sectors this year. We honor our commitment towards Nation and be part of it's development.

Sincerely

Abdul Rehman Abdul Raheem Al Zarooni

AL MADINA INTERLOCK has built a hard earned reputation as a preferred Manufacturer / supplier of various concrete products across the UAE.

AL MADINA INTERLOCK is situated at old industrial area, Umm Al-Quwain, manufacturing various types concrete products like Masonry blocks, Paving blocks, Kerbstone with high quality and competitive prices.

It is a professional integrated company in developing manufacturing, selling and providing services. In the production process we adopt total quality control (TQC) & strive to meet the international & national quality standards. The key elements Manufacturing Machinery and handling equipments are using top brands from Germany/ Italy to ensure high quality and reliable products.

There are many professional technicians and engineers in the factory where they focus on the manufacturing and ensuring the quality. Also a group of people continuously research and create new paving blocks patterns for the new technology of construction.

AI MADINA TAKE UP SUPPLY & FIXING WORKS

product range

MASONRY BLOCKS are producing almost all kind of solid, hollow and Insulation blocks.

PAVING BLOCKS wide variety of shapes and sizes of pavers producing with thickness 60 mm, 80mm and 100mm in coloured and non coloured, as per BS standards.

KERB STONES different sizes of stones with any length in Half Battered, Bull nose and Flush types are making on hydraulic presses with high density and strength, compliance to BS.

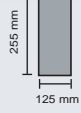

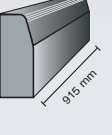

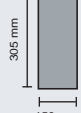

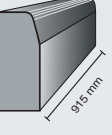

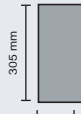

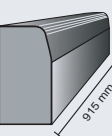

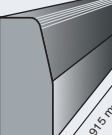

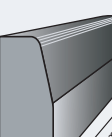

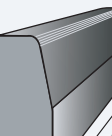

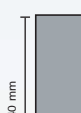

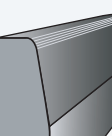

HEEL KERBS are producing mainly two types 8x20x60 and 7.5x15x60 in different colours with chamfering.

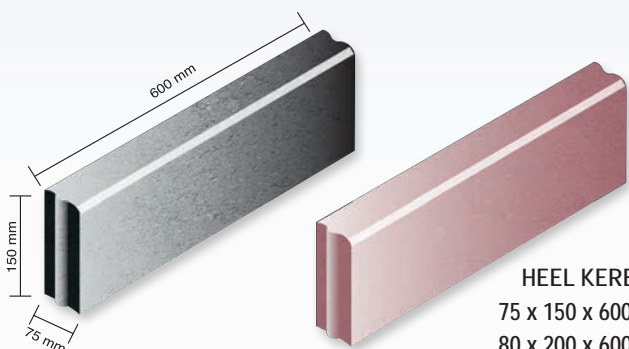

Description:

The selection of raw materials are acts major role in the concrete products quality and strength. Al Madina Interlock products has been given highest priority for them. Few selected sources raw materials are using, which are compliance with BS and carefully segregate, to produce different kinds of concrete products and confirming with standards. Time to time we maintain test reports of all our raw materials. The testing of the aggregates and sands as per the British Standards and the sand should be washed.

We follow strict quality control team monitor throughout the production process to finished products; maintain all log sheets, test reports from authorized testing centers.

We supply our products by our own off-load facility trucks to the sites and keep excellent after sales services to the customers.
